Summer Reading is not optional – you will do a creative project over the summer for the book you chose from the English “Choice” list. When you return to school, you will write an essay over one of the remaining two books. You will not know beforehand which book you will write about, so be sure to read all 3 books! Each project (creative **and** essay) will count for one test grade each. All students are expected to conduct themselves with honor and integrity. Reading Spark or Cliffs Notes is not a substitute for reading a book. **Plagiarism on any project will result in a failing grade and disciplinary action according to school policy.**

**ALL ASSIGNMENTS ARE POSTED ON THE TST WEBSITE.**
